## **Reminder: New Form for Durable Medical Equipment Wheelchair Repairs Must Be Used Effective January 1, 2016**

The new form FA-1D (Wheelchair Repair Form) was posted for providers to use beginning December 1, 2015, with a required effective date of January 1, 2016. The new specialized form for wheelchair repairs is to be provided with all wheelchair repair prior authorization requests. As providers were notified in [Web Announcement 1019](#) on November 25, 2015, failure to use this form after January 31, 2016, will result in wheelchair repair denials. FA-1D is located on the [Provider Forms](#) webpage (<https://www.medicaid.nv.gov/providers/forms/forms.aspx>).
